

Adapters

Part Number: OR-211025DA8FKIT

Description: 25-Pin Data Adapter Kit

25-pin Data Adapter kit that interfaces from an RJ45 keyed 8-position jack to a-pinable female DB25 connector

■ Specifications

Marketing-Family	Mating Adapter
Connector A	DB25 to RJ45
Marketing Description-family	Ortronics Data Adapters are interfaces between data terminal equipment (DTE) and data communication equipment (DCE). They are used for high density applications where width between ports is critical and dimensions are within the basic DB9, DB15 and DB25 envelope
Number of Ports	1
Color	Black
Flammability Rating	UL 94V-O
Wire Gauge	24 AWG
UL Listing No.	E131600
UL Standard	UL 1863
CUL Listing No.	E131600
CUL Standard	UL 1863
FCC Standard	Part 68
Product Fits Into	DB25 male connector , RJ45 patch cords
Installation Tips	Can be assembled without tools. Connector snaps into housing
Assembly Required	Yes
Mounting Hardware Included	No
Typical Applications	Interface between data terminals equipment (DTE) and data communication equipment (DCE)

■ Construction

	Material	Finish/Plating
Housing		
Connector		

■ Features

- Can be assembled without tools
- Configurable pinning on DB25

■ Benefits

- Field terminable with no need for special tools
- One adapter kit can be configured to any DB25 to RJ45 requirement

■ Related Products

DB25 patch cords, RJ45 patch cords
