- ◆ UL 94V-0 rated flame retardant material.
- ◆ Mounts to standard NEMA openings and boxes.
- ◆ Special 632 panhead combo screw, 3/4".

HUBBELL InfineStation Modular Plates, Front Loading

The INFINESTATION™ modular plate system features front loading installation using Hubbell's XCELERATOR™ jacks and our comprehensive offering of Audio/Video connectors and keystone fiber adapters in single and double-gang applications.

The IMF modular plates provides the flexibility to tailor each workstation solution to your specific requirements. The front-loading plates accept modules in 3 Unit combinations for single-gang and 6 Unit combinations for double-gang applications (3 units per gang).

Select from a variety of unloaded module combinations to custom design any multimedia workstation solution.

ORDERING INFORMATION**INFINESTATION™ Modular Face Plates****Order Information**

The IMF modular plates accept any modules in 3 unit combinations for single-gang; and 6 unit combinations for double-gang applications. Start by selecting a frame and then the required mix of modules.

Delivery: Single-gang 1 per bag/carton of 20. Double-gang: 1 per bag/carton of 10.
