Model #: SRW12USG

SmartRack 12U Wall Mount Rack Enclosure Cabinet with Plexiglas® Front Door Insert

Highlights

- 12U with adjustable front and rear vertical rackmount rails
- Hinged cabinet swings away from wall bracket for easy equipment access (swing direction is reversible)
- Locking, reversible Plexiglas® front door and locking, removable side panels
- Fully assembled for quick installation
- Meets all enclosure requirements towards PCI DSS (Payment Card Industry Data Security Standard) compliance

Description

The SRW12USG 12U Wall Mount Rack Enclosure Cabinet is designed to integrate wall-mounting, easy equipment access, and cable management in IT network applications with limited floor space. Ventilated front door, with Plexiglas® insert, and side panels allow generous airflow to keep equipment operating safely. Adjustable rack rails with square mounting holes accommodate up to 12U of standard 19" rackmount equipment. Supports up to 140 lbs of equipment. A sturdy hinge between the cabinet and the wall-mount bracket allows the cabinet to swing away from the wall for easy access to equipment and cabling. Top and bottom panels include convenient cutouts for cable routing.

Features

- 12U wall-mounted enclosure
- Adjustable mounting depths from 3" to 20.5" inches
- Plexiglas® front door with added ventilation holes retains proper airflow.
- Hinged cabinet swings away from wall bracket for easy equipment and cable access
- Locking, reversible front door
- Locking, removable side panels
- Top and bottom panel cable access openings
- Fully assembled for quick installation
- Meets all enclosure requirements towards PCI DSS (Payment Card Industry Data Security Standard) compliance
- 5 year warranty
