- Supports 1080p resolution
- Small footprint compared to VGA or DVI
- Supports Ultra High Definition (UHD) 4Kx2K video resolutions up to 3840 x 2160

### Package Includes

 Displayport Monitor Cable with Latches (M/M) 6 ft

#### Description

DisplayPort is a new digital display interface standard put forth by the Video Electronics Standards Association (VESA). It defines a digital audio/video interconnect intended to be used between computer and display monitors, or computers and home theater systems. Similar to HDMI, in that it supports both Digital Video/Audio signals, DisplayPort is geared more toward the computer market, where HDMI dominates the Home Theater market. Tripp Lite's DisplayPort cables support a maximum bandwidth of 10.8Gbps as well as DPCP (DisplayPort Content Protection), HDCP, and resolutions up to 1080p. Available in 6ft, 10ft, and 15ft lengths.

#### **Features**

- The future standard for Digital Video and Audio connections
- Displayport Monitor Cable with Latches (M/M) 6ft
- Supports Displayport v1.2
