

**Project: Safety rope pull switch****Safety Switches****T&B Catalog Number:**

2TLA050202R1322

UPC Number:

80432583778

Status:

Active

Description:

General duty stainless steel safety rope pull switch with 2 NC and 2 NO contacts, NPT connector and 24V DC LED

Features

Designed specifically to withstand the tough environments found in the food and pharmaceutical industries

The fixing holes are under the cover of the switch to prevent food trap areas

Will survive chemical and detergent washdown

Bi-color LED is available to show switch status from a distance

4 pole contact blocks ensure flexibility with all modern control applications

Shorter rope spans up to 80 meters can be achieved by using just one switch

Application

Designed to protect long conveyor lengths.
