

PA06

Blackburn®

Type PA - Pin adapter terminal

Header-CA

Conductor Reference: <http://www.tnb.ca/en/pdf-catalogues/power-connection-and-grounding/compression-connectors/conductor-reference.pdf>

General

T&B Instruction Sheets: TA01773-TB2
Type: Colour-Coded Compression Connectors
T&B UPC: 78378613400
T&B Status: M
Special Features: Prevents oxidation and keeps out moisture
Material: High-conductivity seamless aluminum tubing and tin-plated for corrosion resistance

Dimension Information

Conductor Size: 6 str. Cu
Die Code No.: 50
Stud Size: #8
