|                        | Product Description         | The MegaBand flush mount Category 5e modular jack offers exceptional performance that will support Gigabit Ethernet and 622 Mbps ATM applications with complete reliability. This Category 5e jack meets and exceeds the requirements of ANSI/TIA-568-C.                                                                                                                                                                                                                                                                                                           |
