

SINGLE GANG HD15 VGA + 3.5MM WALL PLATE - BRUSHED ALUMINUM

2225-40505-ADT | [Quiktron](#)

FEATURES & BENEFITS

Add the finishing touch to audio/video installations with a feed-through wall plate. This wall plate is designed to mount in standard electrical boxes or mud rings. The thick stainless steel composition provides better protection than plastic wall plates in commercial environments where constant wear and tear causes damage.

- Passive, pass through design
- Durable, aircraft grade aluminum construction
- Designed to fit standard single gang wall boxes
