B235 dealer keyway

Available to locksmiths and service-oriented contract hardware dealers, this keyway is controlled similar to Primus XP Levels 1+ and 7. Each dealer signs a contract agreeing to certain key control procedures and agreeing not to duplicate keys marked with another dealer's ID number.
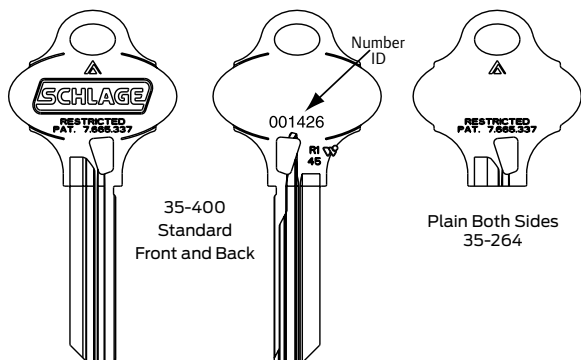

The dealer cuts all B235 keys and cannot sell key blanks to the end user. If the end user needs to cut keys, B family end user keyways (below) should be furnished instead of B235. Contact your Schlage commercial wholesaler or local SSC representative for further information.

B family end user keyways

The B family end user restricted keyways are not stocked by locksmiths or other dealers. They are drop shipped directly to the end user and offer economical patent protection without geographical exclusivity. All orders for B Family keys and blanks require a letter of authorization from the end user.

For cut keys, change "35" prefix to "48" for change keys and "49" for master keys.
Suffix key section, e.g. 35-270 S123. All keyways are restricted so they are not published.

R235 dealer keyway

Available to locksmiths and service-oriented contract hardware dealers, this keyway is controlled similar to Primus XP Levels 1+ and 7. Each dealer signs a contract agreeing to certain key control procedures and agreeing not to duplicate keys marked with another dealer's ID number.

The dealer cuts all R235 keys and cannot sell key blanks to the end user. If the end user needs to cut keys, R family end user keyways (below) should be furnished instead of R235. Contact your Schlage commercial wholesaler or local SSC representative for further information.

R family end user keyways

The R family end user restricted keyways are not stocked by locksmiths or other dealers. They are drop shipped directly to the end user and offer economical patent protection without geographical exclusivity. All orders for R Family keys and blanks require a letter of authorization from the end user.
