

SECURITY DOOR, 20 RU, VENTED

VSDR-20 |

FEATURES & BENEFITS

Keylocked security doors allow front access to a select portion of rackmount equipment and are available in vented styles. Mount equipment which needs to be secured behind these doors in the “installer zone” to keep unauthorized users from tampering. Keep equipment which needs to be client-accessed in the open portion of the rack in the “user zone.”

- Keylocked door controls access to a select portion of rack equipment
- Also works as a full door on RK/BRK Series racks
- Sturdy steel construction with black powder coat finish
