

# XHW Wall-Mount Cabinet

# XHW Wall-Mount Cabinet

## Item Description

The Wall-Mount Cabinet provides IT/Networking hosting in spaces where space optimization is critical and floor mounting is not an option.

## Overview

Belden XHW series wall mount cabinets offer a great aesthetic, rugged welded construction, optimized equipment access and flexible cable management and access features. The XHW is available in various sizes ranging from 24" - 48" tall and 6" - 30" deep to meet your specific space constraints and hosting needs. Belden XHW and accessories are specifically designed to work with Belden's fiber and copper systems.

# XHW Wall-Mount Cabinet
