
HDMI IN-WALL CONNECTION KIT

HT2000-WH-V1 | [On-Q](#)

FEATURES & BENEFITS

The HDMI In-Wall Connection Kit helps conceal low voltage cable behind the wall in a flat panel TV installation.

- Package includes two cable access straps with wall plates and a 9ft in-wall rated High Speed HDMI with Ethernet cable
- Hides up to two other cables, such as coax, data or audio
- Allows storage of cable slack inside the wall for easy access behind flat panel TV
