

N13NC-TDS

Type 1 Enclosure (for use with 30 Amp Motor Controller Switches), Thermoplastic - Black

Powerswitch® Industrial Grade AC Manual Motor Controllers provide safe, reliable control of a variety of motor loads. Typical applications include manual ON/OFF switching control of conveyor systems, pumping machines, HVAC systems, air compressors and other heavy manufacturing equipment. These motor controllers are available for both single-phase and three-phase applications.

Technical Information

Material Specifications

Enclosure Cover Material: Thermoplastic

Enclosure Material: Steel

Product Features

Color: Black

Device Type: Enclosure

Standards and Certifications

NEMA Rating: Type 1

Standards and Certifications: cULus

UL 60947-4-1: supersedes UL 508

Warranty: 10 Year Limited

Electrical Specifications

Amperage: 30 A

Environmental Specifications

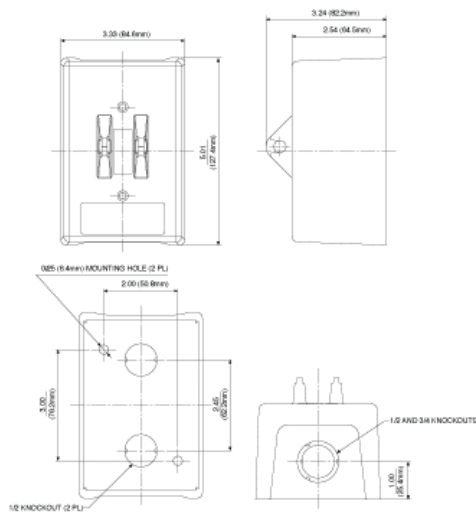

Enclosure Rating: Type 1

Color: Black

UPC Code: 078477374443

Country Of Origin: United States
