ADAPTER RINGS

The Ring

Adapter Rings for Conference Rooms, Huddle Spaces and Classrooms in a variety of Configurations!

All The Connections You Need for Your Next Presentation

Have you ever walked in to make an important presentation, only to find out that you or the host company doesn't have the exact cable or adapter you need to connect? It's certainly not a position anyone likes to be in. But how do you ensure you and your guests can always connect quickly and easily? That's where The Ring comes in.

A Must Have for Every Conference Room, Huddle Space and Classroom!

The Ring is a collection of adapters that attach onto a secure cable that ensures you always have the adapters you need when you need them. The Ring is a must have product for every conference and meeting room, huddle space, and classroom. The Ring is an ultra-durable, steel ring with a selectable amount of adapters to ensure you and your clients can always connect their various devices quickly and easily in your meeting or presentation space.

Never Get Caught Short Again!

With the right configuration of adapters, The Ring works with almost any device including laptops, Chromebooks, iPhones® iPads®, tablets and phones. Best of all, the Ring securely clamps on to your display cable to ensure your adapters always stay put and remain in place for your next presentation. Order one for yourself or your meeting space today!
