

USB 3.1 (Gen 2) Type-C Male to Type-C Male Cable with 100W Power Delivery 3ft, Black

Comprehensive's USB Type-C Cables connect your phone, tablet, laptop and any other devices with Type-C connections to support data transfer rates up to 10Gbps (Gen2) and it can deliver 5 amps of charging power up to 100 Watts.

3.1 Gen 2 Delivers True 4K Video with HD Resolution

USB 3.1 Generation 2 brings faster speeds with data transfer rates of up to 10Gbps, which can transmit 4K HD video.

Fast Charging for your Mobile Devices

Where as USB 3.1 Gen 1 could only provide power delivery of up to 4 watts, this USB 3.1 Gen 2 cable can deliver power up to 20V/5A (100W) to charge your laptops and other peripheral devices.

USB Type-C Reversible Connector Design Makes Connecting Easy

The USB Type-C connector is reversible and can be plugged in no matter if placed up-side-down or right-side up, eliminating primary frustrations with getting the port insertion just right.

Thin, Flexible and Built to Last

This low-profile USB 3.1 Type C Gen 2 cable is extremely flexible yet built to last, with durable premium construction, molded strain relief and high quality Shielded Twisted Pair (STP) construction, helping to prevent electro-magnetic interference and ensuring reliable data communication.

Lifetime Warranty

Value is knowing a product you buy today, will work for you tomorrow and in the years to come. At Comprehensive, we are dedicated to providing you with the best cable and connectivity products money can buy at a fair price. But talk is cheap-which is why we put our money where our mouth is and cover all of our cables with our exclusive Worry-Free Lifetime Warranty. So, when you purchase a Comprehensive cable product, you can be assured it will keep on working and last a lifetime.

Features

- Supports transfer rates up to 10Gbps (USB 3.1 Gen2)
- Provides high speed connection for USB Type-C peripherals
- USB Type-C male to USB Type-C Male
- Supports 4K video transfer up to 4K@60Hz (with Display Port Alternate Mode)
- Power capability up to 100 Watts (20 volts/ 5 amps)
- Plug and play functionality for docking stations, external drives, mobile phones and other digital devices
- Compatible for PC, MacBook, Chrome Book and USB-C smartphones.
- Type-C connectors allow reversible connection
- Molded Strain Relief
- RoHS Compliant
- Prop 65 Compliant
- Lifetime Warranty
