

RAPIDRUN®; COMPOSITE VIDEO + STEREO AUDIO WALL PLATE - WHITE

40740 | [C2G](#)

FEATURES & BENEFITS

RapidRun® is designed to be the standard for in-wall audio/video installations. The RapidRun system empowers you to customize your installation to create your own ideal audio/video solution. Break-away flying leads and wall plates ensure flexible, efficient, high quality connections for all types of equipment.

- Color Code: Green (for use with both PC and Multimedia Runners)
- Connectors are color-coded yellow for composite video and red/white for dual channel audio
- Fits into a standard J-box
- Compatible with Leviton Decorative® brand cover plates. Decorative® is a registered trademark of Leviton Manufacturing Company, Inc. This product is not manufactured or endorsed by the Leviton Manufacturing Company, Inc.
