#### Data

#### **Electrical data**

# Ratings per IEC/EN 60664-1

Nominal voltage (III/3)	800 V
Rated current	90 A

#### **Material Data**

Color	gray
Fire load	0.083 MJ
Weight	12 g

#### Commercial data

Product Group	1 (Rail Mounted Terminal Blocks)	
Packaging type	BOX	
Country of origin	DE	
GTIN	4045454910945	
Customs tariff number	85366990990

Commoning 35 mm² (2 AWG) POWER CAGE CLAMP Terminal Blocks with 10/16 mm² (8/6 AWG) 2010 and 2016 Series TOPJOP® S Terminal Blocks using step-down jumpers (not valid for 2016-76xx and 2016-77xx).

Step-down jumpers may common terminal blocks of different sizes, without losing a conductor clamping point. This can be beneficial on long conductor runs where voltage drops may be problematic. A large conductor can be easily connected to smaller conductors at the distribution point.

Step-down jumpers are simply pushed down for full insertion, similar to adjacent jumpers. Commoning may be made in either direction using the special thin end plate to cover the open side. Additional through terminal blocks having a smaller cross-section may be commoned using adjacent jumpers.

#### In this case, pay attention that:

The total current of the outgoing circuits does not exceed the nominal current of the step-down jumper.
