

Item description

These communication cables are used for configuration and visualization via PC or controller.

They are suitable for all 787-8xx Series devices equipped with an RS-232 serial interface.

Download the corresponding PC software for all 787 Series devices at www.wago.com

Function blocks for communication with the WAGO I/O System 750 and other control systems are also available.

Note:

The communication cable is not electrically isolated.
