SARGENT Announces One Week TurboShip Program for Select ACP Products

SARGENT is proud to announce a TurboShip program for Authorized Channel Partners, including select Harmony™ and the Profile Series v.S1 and v.S2 products.

SARGENT offers a wide selection of products to the industry through its TurboShip and ElectroTurbo programs. Available in 1 week or 3 week shipping options, the following products are included in the new ACP TurboShip program:

- Harmony 125 prox and iCLASS cylindrical, mortise and exit
- Profile Series v.S1 PoE cylindrical, mortise and exit
- Profile Series v.S2 WiFi cylindrical, mortise and exit

Mortise and exit configurations of these access control products can also be ordered with eight of the SARGENT Studio Collection decorative levers with expedited shipping.

For more information on shipping and options available, please consult the Access Control TurboShip program catalog, attached.

The Authorized Channel Partner (ACP) program is open to distributors who sell ASSA ABLOY's technology products to security systems integrators and locksmiths, and help with product selection based on the application. The ACP is for resellers that do not install and service products.

Please distribute this bulletin to everyone in your distributorship who specifies and/or purchases EAC products. Insert this bulletin and catalog in your TurboShip binder.
