

Work Anywhere™ Chromebook Connectivity Kit with 3 Port USB Hub

Comprehensive's Work Anywhere™ Chromebook Connectivity Kit is perfect for connecting to Chromebooks™ and other USB-C enabled laptop computers to expand your laptop's capability. The CCK-WAK02 kit conveniently compiles a USB 4-Port hub and the necessary cables into one convenient bundle for expanding your Chromebook or other laptop's capabilities at a great price, wherever you may be working.

Work Anywhere, Anytime

This easy to use Work Anywhere™ Kit was designed specifically for use with Chromebooks and it conveniently compiles a four (4) Port Versahub™, a USB 3.0 5G Superspeed cable and a Cat 6 Network patch cable for easy connecting anywhere you may be working.

Be More Productive - Wherever You Work

This Work Anywhere™ Chromebook Connectivity Kit includes a Versahub™ USB Type-C Hub has three (3) USB-A ports and one (1) Gigabit RJ45 ethernet port. Its lightweight and portable design allows you to expand the capabilities of your Chromebook or laptop computer. This hub allows you to connect external hard drives, flash drives, USB adapters, cameras, printers, scanners, and more.

Plug and Play and Backwards Compatibility

The CCK-WAK02 features simple plug and play capability with no drivers or software required. Simply plug in and you are ready to get to work! The included hub is also backwards compatible with prior USB versions.

No Additional Power Required

The included bus powered USB hub requires no additional power supply, simply connect it with a compatible device and the hub will draw power directly from the device-no separate power cable necessary.
