

## Work Anywhere™ Laptop Dual Display Docking Station Kit

Comprehensive's Work Anywhere™ Laptop Dual Display Docking Station Kit brings together one of our amazing VersaDock™ laptop docking stations and all the necessary cables for you to connect your USB-C or Thunderbolt™ 3 enabled laptops to any HDMI and/or VGA external displays. The CCK-WAK04 is perfect for anyone looking to expand their laptop into a desktop computer workstation and improve productivity wherever you may be...at home, in the office or classroom.

### Work Anywhere, Anytime

This easy to use Work Anywhere™ Kit was designed specifically for use with the latest laptops and conveniently compiles a Comprehensive VersaDock™ dual display dock and necessary cables into one convenient kit for connecting your Windows®, Mac® or Chromebook™ laptops with a USB-C enabled port.

### Be More Productive - Wherever You Work

This Work Anywhere™ Kit allows you to connect either one or two display/monitors, sync data at 5G super speed as well as use reliable wired networking all at one time. It allows you to connect external hard drives, flash drives, USB adapters, cameras, printers, scanners, and other accessories so you can be as productive as possible whether working at home, on the road or at the office.

### Plug and Play and Backwards Compatibility

The CCK-WAK04 features simple plug and play capability with no drivers or software required. Simply plug in and you are ready to get to work! It is compatible with Thunderbolt 3 and backward compatible to USB 2.0 and USB 1.1 for additional convenience.

### No Additional Power Required

The included bus powered USB hub requires no additional power supply. It is compatible with Thunderbolt 3 and backward compatible to USB 3.1, 3.0 & 2.0.

### Quality And Reliability

Backed by a 3 Year limited warranty, you can be assured of Comprehensive's famous quality and reliability.
