## Product Data Sheet

# Open Frame Racks

### FEATURES

- A self-aligning design enables a self-squaring installation.
- Extra deep—spaced 12" or 18" from the wall to provide space to work and space for your larger equipment.
- Fixed, squared frame design prevents kinking or breaking of fiber optic cables.
- Black finish.
- Include an M6 threaded rack rail and rack screws.
- Constructed of 11-gauge steel.
- Perfect for patch panels, switches, and all your rackmount network devices.
