

Product Data Sheet

Pro Series Wallmount Cabinet

Overview

Store and secure communications equipment. The Pro Series Wallmount Cabinet provides 12U of racking height and supports up to 200 pounds. It includes one set of standard 19" M6 rails. Optional accessories are available.

Features

- Supports up to 200 pounds (90.72 kg).
- Provides 12U of racking height.
- Includes one set of standard 19" M6 rails.
- Guaranteed for life!
- Extra depth accommodates large servers and still provides plenty of room for cable management.
- Front door has rounded corners and edges for safety.
- Rear door enables you to swing the cabinet out from the wall for access to the rear of the equipment.
- Both the front and the rear door are reversible so the cabinet opens in the direction you want.
- Side panels are vented for airflow.
- Eight grommeted holes for 2½" conduit fittings top and bottom.
- Clear acrylic door enables you to view the front of your equipment.
- Front and rear doors lock for security.

Optional Accessories

Fan Tray (RM4002A)

Increase air flow in the Pro Series Wallmount Cabinet. Quiet dual fans keep your cabinet from overheating.

RM4002A

Filter Tray (RM4003A)

The Filter Tray helps keep dust out of the cabinet when used with the Fan Tray (RM4002A). It includes a washable filter.

RM4003A

Blanking Panel (RM4004A)

Control ventilation in the Pro Series Wallmount Cabinet (RM4001A) by closing off vents. Use the Blanking Panel with the Fan Tray (RM4002A). The panel measures 5.5"H x 12.25"W x 0.25"D (14 x 31.2 x 0.6 cm).

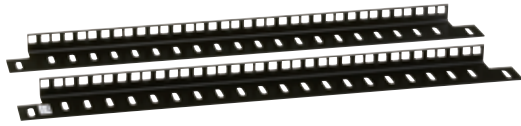

RM4004A

Pro Series Wallmount Cabinet Data Sheet

Extra Vertical Rails (RM4005A)

Add a second set of 12U high rails in the Pro Series Wallmount Cabinet (RM4001A) to accommodate components that require four mounting points.

RM4005A

10" Shelf (RM4007A)

The 10" Shelf provides shelf space for non-rackmount equipment in the Pro Series Wallmount Cabinet (RM4001A).

The shelf uses 2U of mounting space within the cabinet and measures 3.5"H x 19"W x 10"D (8.9 x 48.3 x 25.4 cm).

RM4007A

45° Rear Mounting Rails (RM4006A)

The 45° Rear Mounting Rails provide 3U of horizontal mounting space at the back of the cabinet. They mount on the rear panel of the Pro Series Wallmount Cabinet (RM4001A). The rails measure 4.1"H x 1.4"W x 4"D (10.4 x 3.6 x 10.2 cm).
