New PanaCast 50 SKUs With 3 Year Warranty Now Orderable

We are pleased to announce that 7 new SKUs for the PanaCast 50 (Black) with an extended 3-year manufacturer's warranty are now available.

These new SKUs give customers the choice of purchasing 3-year product warranty when ordering a new PanaCast 50. The existing PanaCast 50 SKUs offering our standard 2-year manufacturer's warranty will remain available.

The only change for the new SKUs is extending the standard warranty period for the PanaCast 50 purchased to 3 years – other than that the general terms and conditions of the warranties remain the same.

Please note that the new SKU with the extended 3-year warranty is only available for PanaCast 50s which are black in color.
