

## TECHNICAL SPECIFICATIONS

**LPP624P**

### Features:

- For mounting in 19" Relay Racks & Wall Mount Brackets
- ANSI/TIA 568 D.2 Category 6
- For ISO/IEC 11801 Class E UTP installations
- Supports remote powering described by IEEE 802.3bt, Type 1 - 4
- Rear Cable Mgmt Bar and Rack mount screws included

### Physical Specifications:

Length	19"
Height	1.75"
Rack Mount Units	1U
Materials	16 gauge steel black
	PcB and plastic components are UL 94V-0

### Standards Compliance:

ANSI/TIA 568 D.2 Category 6
ISO 11801 Class E
ANSI/TIA 1096-A (FCC Part 68)
Supports Remote Powering IEEE 802.3bt type 1-4
UL 1863 Safety Listed

### Mechanical Specifications:

Conductor Gauge, Solid	22 AWG   24 AWG   26 AWG
Conductor Gauge, Stranded	22 AWG   24 AWG
Wiring	T568A   T568B
Termination	110 IDC
Replaceable 6 port modules	
Integrated rear side cable management bar, 1 per 1U	

### Country of Origin:

Made in Taiwan
